

Dear Third Grade Student:

The summer is just about here. I hope all of you have a healthy and happy one. I am going to ask you to spend a part of this summer reading. We all know how important it is to stretch our imaginations, increase our vocabularies, and keep our minds active, especially during the summer months when school is not in session.

I am asking you to choose four (4) books to read from the attached list. When you have read your books, please complete the 'Sequence Chain Worksheet' for each book read. This information will help complete the book review assignment we work on in September.

Thank you for your cooperation and I look forward to seeing you in September.

Sincerely,

Mrs. Spinelli
