

## The Academy's Faculty

Our faculty is a dedicated team of professionals committed to the Catholic tradition of excellence in education.

- We follow the NJ Core Content Curriculum Standards and the Curriculum Guidelines set forth by the Archdiocese of Newark.
- We are Certified Educators utilizing innovative techniques.
- We offer personalized attention and age-appropriate activities.
- We help in the faith-formation of our students in learning about God's love for all people.

## Inspiring Faith

At The Academy we believe that every child is a precious gift from God.

While the original school was founded in 1954, The Academy has a brand new curriculum that focuses on the spiritual growth of the child while fostering academic excellence in a nurturing atmosphere.

The Academy fosters the child's spiritual life through scripture, Christian values, daily prayer, monthly liturgy and community outreach.
