

Architecture

Grades 3 and 4

Art and STREAM

How I Can combine basic shapes to create buildings?

What lines and shapes do you notice in each picture? In your mind, practice breaking down each building into basic shapes. What's first? What's next? What shapes make up details?

I can explore what ARCHITECTURE is and what an ARCHITECT does.

Architecture

-is the design
of a building or
structure

Architect

-a person who
designs
buildings or
structures

Watch this video about what Architects really do.

Your Inspiration Board

Leaning Tower of
Pisa, Italy

St. Paul's Cathedral,
England

St. Basil's Cathedral,
Russia

Eiffel Tower,
France

Space Needle,
USA

Yueyang Tower, China

White House, USA

Sydney Opera House, Australia

What can I use to create my architecture?

[Click Here to see a demonstration of how to use found materials to create architecture](https://safeyoutube.net/w/eIY3)
<https://safeyoutube.net/w/eIY3>

- markers,
- crayons
- color pencils
- paint

Chalk

- Legos
- Building Blocks
- Cardboard boxes
- Found materials around the house

This week, you will design your own building

Step 1:

Think of what the purpose of your building is.

Step 2:

Think/plan: what shapes will work for the specific function of your building.

Step 3:

What materials will you use to create your architecture?

Step 4

Create (but before you say “I’m Done,” ask yourself: Did I add details? Did I use a variety of shapes?)

Step 5

Take a picture of your finished product and email it to Mrs. Tyler
